## EDISON HIGH SCHOOL SPECIAL ABILITIES CLUSTER

### SAC BOOSTER CLUB PARTICIPANT FORM 2023-2024

The SAC Booster Club is a **Non-Profit 501 3C Corporation**. We are an organization of families of special needs students enrolled in Edison’s SAC (Core, LINC and SUCSESS) programs. We meet to discuss ideas and ways to contribute to the education and extra-curricular activities of the students. In the past, the SAC Boosters sponsored monthly dances, bowling, Yoga, Hip Hop, Outrigger Paddle, Educational Speakers, beach bon fire, Bell Game Tailgate, and participated in EHS sports like football, soccer, basketball, swim, and baseball. The Boosters communicate through emails and our website to keep everyone informed of ongoing events. Our annual project is creating the “SAC Yearbook”. A mini yearbook devoted exclusively to the students and staff associated with the SAC program. In order to continue to provide these services, we depend upon contributions from parents/guardians and local businesses. By joining our group, you can be a part of making your student’s years at Edison more meaningful. Alumni are also invited to the Friday night dances. Please provide your email below to find out what activities we have planned and join us. We are always in need of help! Find TONS of events & info. on our website: [www.sacboosterclub.com](http://www.sacboosterclub.com)
