

# PERSON CENTERED PLANNING

## ACHIEVING YOUR GOALS AND OBTAINING REGIONAL CENTER SERVICES TO LIVE A MORE SELF-DETERMINED LIFE

### WHAT IS PERSON CENTERED PLANNING?

Person Centered Planning is about CHOICE. It is a way of life, a philosophy, and a thinking process. It's about supporting individuals to make their own choices throughout the planning process! It focuses on finding new possibilities for each person striving to improve quality of life, emphasizing dreams, desires and meaningful experiences.

Presented by Dr. Cristina Mercado, RCOC Person-Centered Thinking Coordinator & Tim Jin, Advocate

Join us to learn about the person centered planning process and how persons with disabilities can use it to define meaningful goals, obtain services, and gain positive control over their lives. This training will provide an explanation of the planning process as well as demonstrate several person centered tools that can be used toward developing a person centered plan.
