

# Pathways to Employment Workshop

**SAC Booster Club is partnering with Disability Rights California to host the following workshop opportunity on April 9<sup>th</sup>, 2019 from 6:00-8:00 pm.**

## **Pathways to Employment**

This presentation is designed to provide people with disabilities and their families with information about their right to competitive integrated employment and the resources available to assist them in achieving it.

### ***In this session you will learn:***

- How to develop a quality transition plan through the school district,
- How students can access pre-vocational services from the Department of Rehabilitation,
- How vocational rehabilitation services can help you prepare for and obtain meaningful employment in the community, and
- How the regional center can help you with your employment goals.

## **About the Presenter**

Rebecca Hoyt, Client Assistance Program Advocate with Disability Rights California, serves clients and applicants of the Department of Rehabilitation and Independent Living Centers to achieve their employment goals and exercise their rights under state and federal law. She works to preserve and advance the employment opportunities of people with disabilities through direct representation of clients in informal negotiations, mediation and fair hearings and by fostering self-advocacy skills in the community. Attendees of this training will gain knowledge and practical advice about how to build a pathway to competitive integrated employment.
